

SYDNEY ARCHITECTURE FESTIVAL 2011

20 Oct – 30 Oct 2011

The 2011 Sydney Architecture Festival – a 10 day celebration of architecture runs from 20 October – 30 October.

Australia's only Architecture Festival stimulates debate and offers fresh perspectives about what constitutes **good architecture and design** and how to create a **sustainable, healthy and culturally rich built environment**.

The Festival offers the chance to **engage with ideas and architectural inspirations** from around the world, and this year promises several new and exciting ways to engage in conversations about our city, with events in venues across Sydney - tours, talks, workshops, exhibitions, lectures, films and children's activities.

For more information and to book for Festival Events visit:
